# **Educational Leave**

Academic Year 2023-2024

Unless otherwise requested by the employee and approved by the school district, the period of educational leave corresponds with one of the following:

- Fall Leave extends from the first day of the school year to the last day prior to the Christmas holiday period.
- Winter Leave extends from the first day of school following the Christmas holiday period to the last day of the university exam period or the last day prior to the Easter holiday period, whichever is later.
- Spring Leave extends from the first day of the spring semester of university classes (or up to two days prior) to the last day of the school year.

There are a total of **30** leaves available for teachers covered under the Provincial Collective Agreement; there are **3** leaves available for those teachers covered under the Labrador West Collective Agreement.

# **The Application Process:**

- Teachers must be employed in this province for five years or more (as per the latest seniority report) to be eligible for paid educational leave for the 2023-2024 school year.
- Application is made to the District, not directly to the Department of Education and Early Childhood Development.
- The deadline for receipt of applications to the District is January 13, 2023.
- District may rank applications according to District needs.
- District forwards applications to the Department of Education and Early Childhood Development.

\* If a candidate decides to enroll in a course of study other than indicated on the application, the teacher must seek approval of the Registrar of Teachers for their new course of study.

<sup>\*</sup> Prior to enrolment, teachers must contact teacher certification@gov.nl.ca to ensure their course of study is approved for teacher certification upgrading.

## The Decision-Making Process:

- A committee with representation from the Department of Education and Early Childhood Development and the Newfoundland and Labrador School Boards Association makes decisions on granting of leaves.
- The committee makes its selections by March 1 of each year.
- Successful applicants are notified by March 30 by the Committee Chair.

In ranking candidates, the school District consider:

- Whether the applicant has had paid leave in the past.
- Whether the applicant's job is at risk without re-training/upgrading.
- The educational needs of the District and rankings as recommended by the Director.
- Regional representation.

### **Policy Regarding Awarding of Educational Leaves**

- (1) Leave shall normally be awarded for a duration of 1 university semester.

- (3) A teacher will be eligible to receive an additional award five years after receiving an initial leave.
- (4) In any given year if the number of leaves available exceeds the number of "first-time" applicants, the additional awards will be given to applicants who have received an award previously.
